Three things to report on as we begin the new year:

- 1) Oregon CZARA. Late Monday afternoon I have a follow up call with Richard Whitman of the Oregon Governor's Office and Dick Pedersen of Oregon DEQ regarding Oregon's CZARA disapproval. Will Stelle, the Western Regional Administrator from NOAA will also participate.

## Ex. 5 - Deliberative

After the initial call Richard Whitman was to meet with Governor Kitzhaber but the initial response was that the

state wanted to work with us to clearly identify what would be needed to reach approval at the end of the period and what milestones would be necessary along the way. Richard and Dick seemed to appreciate the approach we lined out and I am anticipating a good call tomorrow.

Happy New Year! We've got no shortage of good issues ahead of us in Region 10.
